

SPONSOR MAJOR

LEN LIBBY
Handmade Candies

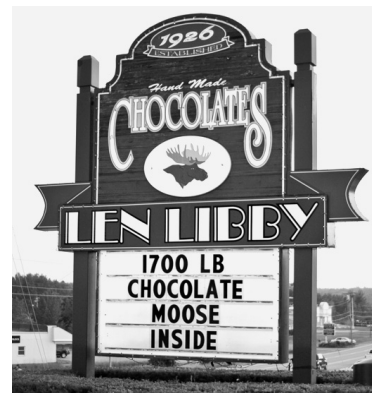

We offer special thanks to our major sponsor, Len Libby Candies, Scarborough's third oldest business. The candy store has been part of Scarborough's history since 1926, when Len Libby and his wife, Evelyn, opened their candy store near Higgins Beach. Their first sweet offerings were need-hams, a Maine delicacy, made with fresh coconut and dipped in chocolate. Since those early days, Len Libby Candies

has always specialized in handmade chocolates and candies following the founder's original recipes.

In sponsoring this historical record of Scarborough, the Hemond family—owners of Len Libby Candies since 1949—celebrates with the community the rich memories of the past as well as the sweet promise of the future.

Normand Berube Builders

Normand Berube Builders has been a family-owned development and general contracting business building homes in Maine since 1972. We have built high-quality homes for Scarborough families for thirty years and look forward to continuing to make dreams come true as Scarborough grows in the future. We are proud to support this book about Scarborough's past and present as the community celebrates its 350th anniversary.
