

2007 CURBSIDE RECYCLING LIST

PAPER, PAPERBOARD & CARDBOARD

Keep clean & dry. Remove any product samples and plastic cards from mail. Deposit loose or in brown paper bags. Books should have all covers removed, including paperback books. Discard paper, foil, and plastic liners. Discard metal spouts and cutting strips as on salt and plastic wrap boxes. Use caution to prevent injury. Keep all materials clean and dry. Fold flat and deposit loose or in brown bags.

Mixed papers, old mail, junk mail (plastic windows not a problem), newspapers magazines, phone books, catalogs paperback & hard bound books with covers torn off, and paper bags.

Clean food boxes with all metal and plastic removed. Cereal, rice, & cake mix boxes, salt boxes, plastic wrap boxes (not the plastic wrap itself), medicine, toiletry, aspirin, band-aid & shirt boxes. Toilet paper & paper towel tubes, writing pad backs, poster board, egg cartons and clean corrugated cardboard boxes.

UNACCEPTABLE:

Carbon paper, photographs, paper contaminated with food, tissue paper, waxed paper or waxed cardboard boxes such as vegetables and meats are shipped in foil, plastic liners, and plastic coated paper.

PLASTIC

Make clean enough for storage in your home. You do not have to rinse containers. Crush flat and leaving labels on is okay.

- | | |
|------------|---|
| #1 Plastic | soda bottles and soap containers |
| #2 Plastic | milk jugs, water jugs, detergent bottles |
| #3 Plastic | packaging and some containers |
| #4 Plastic | packaging, some containers, typically plastic bags |
| #5 Plastic | take out containers, yogurt cups, cottage cheese tubs, butter tubs, some Tupperware |
| #6 Plastic | food packaging, take out containers, plastic cups, coffee cup lids |
| #7 Plastic | cosmetics containers, heavy duty water bottles, plates and cups |

We can recycle any kind of plastic that you find a recycling symbol on with a number inside of it!

UNACCEPTABLE:

Motor oil bottles, containers with something in them, especially those containing flammable liquids such as paint thinner or gasoline. Even though Styrofoam may have #6 on it, it is NOT recyclable and must go in the garbage.

GLASS

Make clean enough for storage in your home. You do not have to rinse containers. You do not need to crush the glass and leaving labels on is okay.

Clear and colored glass bottles and jars are okay.

UNACCEPTABLE:

Auto glass, such as windshields, safety glass with a plastic or metal inner membrane, ceramic or mirror glass.

CANS & ALUMINUM

Make items clean enough for storage in your home. You do not have to rinse containers. Crush flat and leaving labels on is okay.

Metal food and beverage cans, aluminum trays and pans, and empty aerosol cans.

UNACCEPTABLE:

Propane tanks or bottles

UNACCEPTABLE ITEMS

These items are **NOT** recyclable and should be disposed of properly:

- Wax covered boxes such as vegetable boxes, chicken boxes, or orange juice cartons
- Oil container boxes
- Envelopes with bubble wrap on the interior
- Motor oil containers (hazardous household waste)
- Styrofoam and peanuts
- Vinyl siding
- Foil lined boxes like dishwashing detergent boxes
- Plastic shopping bags
- Used hypodermic needles (hazardous medical waste)
